RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism, it is quite as important to improve the general health as to purify your blood, and the cod liver oil in Scott's Emulsion's nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.

Next Tuesday Mr. Meeker will leave

for a week's absence at the Bible Conference in Salt Lake City at Westminster College.
